Wear pink on Friday and come down for dessert!

The Wild Pink Yonder trail ride is on the trail for a cure this week, leaving Lloydminster on Saturday and heading toward the southeast terminus of the Iron Horse Trail. The horse, riders and wagons will reach Heinsburg on Thursday evening, and will head west on Friday, stopping in Lindbergh for lunch and arriving in Elk Point later that afternoon, in time to set up their camp in the Iron Horse Trail Staging Area for the night before supper.

After supper is when the community gets in on the action, because everyone's invited to a dessert potluck. Bring along your favourite dessert, if you wish, wear pink if you've got it, and come down to the

staging area gazebo to meet the riders and check out how their trek has gone so far. You can enjoy coffee, goodies and some entertainment with them as well. Make sure to bring your lawn chair!

The riders and wagons will continue on their way after breakfast on Saturday morning, with 16 more communities and many more miles to go until they reach the end of the trail in Edmonton on Aug. 30.

When they leave Elk Point, they'll be taking with them our community's contribution to their cause, providing funds for research into a cure for breast cancer. The Elk Point Wild Pink Yonder committee raised funds through two very successful garage sales and this weekend's raffle of donated items at the Horticulture and Craft Show, and will also be accepting donations at the dessert potluck.

Fifth show aggregate for Lillian Balazs

VICKI BROOKER

Review Staff

Cold Lake resident Lillian Balazs is no stranger to the winner's circle at the Elk Point Agricultural Society's Horticulture and Craft show and it was the fifth time she had accepted the Grand Aggregate plaque, but the second award she received on Sunday brought tears to her eyes.

Myrna Fox presented her with 'The Violet,' an award in memory of Fox's mother Violet McFadyen, a staunch fair supporter and lover of flowers, especially violets. This award goes annually to the person accumulating the most points in the Flowers section and a second section chosen each year prior to the show, this year being sewing. An emotional Balazs said that her mother, too, was a lover of violets, and this made the award even more special to her.

Along with the Grand Aggregate award, with a keeper plaque from UFA and a cash award presented by fair board chair Donna Bassett, Balazs won the Canning section award from the Empress Family Restaurant, Flowers, sponsored by Rona, and Seniors, sponsored by Hahn Welding.

Verona Lea Flanders placed second in the Grand Aggregate for a cash award, and won section awards in Quilting, from B & R Eckels, Sewing, from E-Can Oilfield Services, and Yard Art, sponsored by JPD Enterprises.

Third in the Grand Aggregate went to Marieanne Pierson, whose award was accepted by Delores Mohyluk, along with Pierson's wins in the Arts, Crafts and Hobbies section, sponsored by Elk Point Insurance, and Knitting and Crocheting, sponsored by PharmaChoice.

(Continued on Page 3)

A total of 19 pink items tempted fair visitors to enter the Wild Pink Yonder draws on Sunday.

Forts to mark 222 years of history at Rendezvous

VICKI BROOKER
Review Staff

If you were in Elk Point in 1992, you will no doubt remember some of the occasions, large and small, that made up a year of celebration marking the Bicentennial of Fort George and Buckingham House fur trade forts.

Events ranged from the launch of Great Pumpkin Cookbook, created as a fundraiser for the year's events, and the unveiling of the giant chainsaw-carved statue of explorer and fort builder Peter Fidler to igloo building contests, dog-sled and wagon train mail runs and the official opening of the Fort George and Buckingham House Provincial Historic Site. Largest of all was the gigantic three day event that August long weekend that

featured a reunion for more than 500 Fidler descendants, a massive arts and craft show, a bison barbecue, entertainment by Danny Hooper and North American champion fiddler Calvin Vollrath, tours, black powder displays and demonstrations at the Forts, an event deemed "an unqualified success" by the committee that planned it.

Many of those planners are no longer with us. Some have passed on, some have moved away, but the spirit of Bicentennial 1992 lives on with the Friends of the Forts Society, who are planning to celebrate the 222nd birthday of the twin fur trade forts and the 22nd birthday of the interpretive centre on Saturday, Aug. 23.

If you were at the original celebrations, or have come to our area since

then, you won't want to miss this event.

It will be a time of remembering that glorious occasion — checking out displays of memorabilia from that tremendous celebration, from the late Barbara Milholland's Bicentennial quilt and the late Betty Schaap's detailed model of Fort George to the photos of the many events and other souvenirs.

It will be a tribute to those who made it possible, from Bicentennial coordinator Billie Milholland, who hopes to be on hand for the event, and the late Roy Scott, who carried the mail bags and led the Bicentennial Wagon Train from Vinca Bridge to the Forts, to the late Louis Verhagen, who did such a great job of tracking down the many branches of the Fidler family tree that they made him an honorary member of the family and called him 'Little Fidler.'

It will also be a time to remem-

ber those early days of the interpretive centre with some of the fun events that surrounded the grand opening and Bicentennial celebrations, to enjoy elk burgers (available from 11:30 a.m. — 1:30 p.m.), saskatoon pie from 11:30 a.m. — 4 p.m., and the Forts' birthday cake at 2 p.m., along with some Bicentennial-type entertainment. Any old-time fiddlers out there are very welcome to come to the forts on Aug. 23 and give us a few tunes. Red River Jiggers are also very welcome.

Rendezvous 222 goes from 1:30 p.m. to 4:30 p.m., but come early, and take a guided tour to where our area's fur trade history began. Fort George and Buckingham House Provincial Historic Site, located 11 km southeast of Elk Point, off Hwy. 646, is open from 10 a.m. to 5 p.m. daily, up to and including Labour Day.

New administrative staff for SPERD schools

JANICE HUSER
Review Contributor

As back-to-school season approaches, teachers and school administrators will be heading back to work sooner to prepare for the arrival of students in early September, and a number of schools in the St. Paul Education Regional Division area will also be welcoming changes to their administration staff.

"Whether it be through

retirements or other circumstances, every year we encounter and have to deal with the administrative changes," says SPERD Superintendent Glen Brodziak. "While sometimes we can never replace the skill set and compassion of the people leaving, change allows for new perspectives and growth in other areas."

Ashmont Elementary will see previous assistant principal Denise Warchola move into the role of principal. New assistant principals Sherrill Bull and Candace Houle will work alongside Warchola.

Down the hall at Ashmont Secondary, Tim Yakiwchuk will be taking on a position as assistant principal. Principal Darrel Kachmarchyk and assistant principal Yvette Moisey will remain in their positions.

F. G. Miller administrators Colin Bjorkman and Darcy Youngmans will be switching positions, with Bjorkman being named principal and Youngmans stepping into the assistant principal role.

Following the retire-

ment of previous principal Debbie Thorne, a new principal has been named for Glen Avon School. Kandy Songer will move from St. Paul Elementary, where she was an assistant principal, to take the reins as principal at Glen Avon.

Ryan Pashko and Jackie MacDonald will continue to work as assistant principals at Glen Avon.

Heinsburg School will see Carmen McLeod, a former assistant principal, take on the role as principal and Keith Dawson has been named assistant principal.

The remaining SPERD schools in Mallaig, Myrnam, Elk Point, St. Paul, and Two Hills will not see any administration changes.

"On behalf of the division, a heartfelt thank you must go out to all departing administrators for all their time and dedication to our students and communities," said Brodziak. He also looks forward to working with the new administrators in their new roles with SPERD during the upcoming school year.

- About 250,000 couples in Canada are trying to have children but are unsuccessful. Infertility is defined as an inability to conceive following 12 months of unprotected intercourse. The causes vary and can be found in either the man or the woman. Testing can determine the cause and the results can dictate various alternatives to achieving a successful pregnancy.
- Carrying a list of all the medications you take is a good idea. This list should include both prescription and non-prescription drugs. It can be helpful when traveling or if you have to see a doctor other than your own in an emergency situation. Your list will save time and help you get treatment more quickly.
- A survey of the top ten prescribed drugs of 2013 still shows a thyroid replacement drug on top followed by a drug for reducing cholesterol, four blood pressure medications, two antidepressants and one blood thinner. In 10th position this time was a vitamin D product reflecting the huge interest in the vitamin in recent years.
- If going to the gym isn't your thing and you want a good aerobic workout, try stair-walking. Start slowly and gradually increase the number of steps you go up and down. After a while, take two steps at a time which is good for your large quadricep muscles. And if you are in a building with an elevator, take the steps.

Think PINK

It is a great honour to be among the communities along the Iron Horse Trail that are welcoming the 2014 Wild Pink Yonder trail ride for breast cancer.

Each of these communities has been urged to do their best to be 'the pinkest little town in the west,' and although our town has not gone to the extent of painting all of its buildings pink, we still have the opportunity to show our support by hanging pink decorations, planting pink flowers, and above all, dressing in pink this coming Friday to welcome the riders.

Please wear your pink, and come down to the staging area gazebo on Friday evening to help make these very dedicated fundraisers welcome.

WAY BACK WHEN...

New park, new bylaw, restored pioneer school

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF AUG. 12 IN...

1984

Whitney Lake Provincial Park officially opened, with the Hon. Peter Trynchy officiating at the unveiling of a commemorative plaque at the Ross Lake group picnic area. Fire caused by a malfunctioning kitchen appliance caused extensive damage to the front area of Elk Point Curling Club.

1989

Over 400 people from as far away as California, Arizona, Minnesota and the Northwest Territories converged on Lea Park's Jubilee Regional Park for the Norway Valley Homecoming, and were welcomed by Kari Barstad of Heinsburg and Bernard Vinge of Vancouver in authentic Norwegian costumes, loaned by Brian Grosseth of St. Paul.

1994

Crews installing seamless curb and gutter kept on the straight and narrow as they laid a tidy ribbon of cement along the edges of the newly reconstructed 51 to 54 Avenues. Elk Point's new dog bylaw had teeth, giving the town the ability to impose large fines and also increasing public safety with the addition of the Vicious Dog Act.

1999

The recently formed Midwest Rodeo Association, brainchild of former rodeo contestants Keith Sidener and Bob Cook, held its first finals rodeo at Whitney Lakes Rodeo Grounds. Elk Point Community Choir was off to the Maritimes for a 10-day tour where they would entertain in a number of communities.

2004

The newly restored Fern Chapel School was rededicated, with Olga Ockerman, instrumental in the project, said "I can't find the words to express the gratitude I feel at seeing Fern Chapel School become a historic site we can all be proud of, and which so many people pulled together to restore." The restoration is a tribute to the area's pioneers who built the school in 1913.

2009

A gigantic array of poles, plastic and pieces large and small became a state-of-the-art playground at Elk Point Elementary School by workers from the equipment suppliers and a group of volunteers that included school staff, parents and community members. Delores Mohyluk won her second grand aggregate at Elk Point's annual Horticulture and Craft Show and Quilt Exhibition, also winning the fresh fruit, house plants, vegetables and baking sections.

YOUR VIEWS

Lawsuit directed at local community association

To the Editor:

It has been an extremely disappointing couple of weeks as a volunteer in this community. In light of recent events involving verbal abuse directed towards volunteers, and threats of suing a local community association, I believe it is necessary to remind everyone of the importance of volunteers and the value they add to our community. Organizations exist because of the hard work and dedication of volunteers.

We need to be grateful for the efforts of volunteers. Please remember that volunteers are making contributions out of kindness, generosity and the desire to better the community, not because they are being paid. Volunteers are the back bone of our communities. Without volunteers, there wouldn't be organized sports such as hockey and soccer; we wouldn't have Girl Guides, Boy Scouts or 4-H; and we wouldn't have events such as the annual bench fair, Canada Day celebrations, the Stoney Lake Stampede or Extravaganza. Without volunteers, we wouldn't have facilities like the Stoney Lake Community grounds, Lac Bellevue Hall, Frog Lake Hall, Ferguson Flats Hall or the Heinsburg Community Hall.

It is also imperative to remember that these organizations operate with very modest budgets, and are dependent on the support of local businesses through donated services and financial donations. Threats of suing a non-profit association is ABSOLUTELY UNACCEPTABLE! Individuals who deem it necessary to approach a lawyer to send a letter threatening to sue for damages due to an oversight causing a double booking for a stag party (when offered an opportunity to share the grounds) should take a long hard look in the mirror and decide what is more important – a weekend party or a lifetime of future enjoyment of a community hall and camping area.

The next time you're attending an event in the community, taking your children to an organized club or sports group, or enjoying a family get together or ball game at a community hall, please remember that there are volunteers donating and sharing their skills, talents and time to create that experience for you and your family. Abuse of volunteers and the suing of these small community organizations will force the closure of these community venues... and the events we all love to attend will cease to exist.

ELK POINT REVIEW

Welcome all "diehards" and Newcomers to our "fare" town.

Here's just what you need

GREAT FUN! A GREAT TIME! GOOD GOLFING! GOOD LUCK!

Elk Point Oilmen's Association

31 year hosts of this annual event.

The President's message

It's that time again; the Elk Point Oilmen's Golf Tournament is about to commence. On behalf of the Elk Point Oilmen's Association, I would like to send out a warm welcome to all.

There are so many people to thank. Let me begin with our community, which every year seems to go that extra mile for us to make the atmosphere so enjoyable and comfortable for all. Without the generosity from so many sponsors, donors, volunteers and businesses (old and new), we would not be able to hold such an event every year. **THANK YOU SO MUCH!**

Let us not forget the Elk Point Golf Course (Ian, Becky and staff). We appreciate the long hours you put into preparing everything for our festivities. Your hard work is and will be noticed in the forthcoming event, thanks to all.

Now to all participating golfers in this year's event: welcome to the 2014 Elk Point Oilmen's

Golf Tourney. It is nice to see so many returning golfers and new golfers as well. Re-kindling old friendships and starting new ones and just plain going out and having a good time is the atmosphere we try to create in this event. To the EPOA golf committee, I know the job you fellows have done and the effort put into this year's function will again do us proud.

In closing, I wish the best to all gofers and non-golfers. Enjoy celebrating with us at our 31st annual golf tourney. Have fun, but remember, please do not drink and drive. We have shuttle service to accommodate all. We want everybody to get home to your families safely and to be able to return next year and share your past experiences.

Dave Cousins

Three generations of quilts

Quilts created by the late Violet McFadyen, her mother, great-aunt and great-grandmother and dating as far back as the mid 1800s were featured in this year's quilt show. The viewers above check out three of the crazy quilt designs popular at that time. At top right are some more modern quilts, including two by outstanding St. Paul quilter Bev Bepalko, a former Elk Point resident. Below, this close up shows the intricate hand stitching on one of Violet McFadyen's quilts. McFadyen's daughter Myrna Fox loaned the collection for the display.

Newer styles, designs and techniques are displayed in the Quilting section of the bench fair, showing that this art form is still very much enjoyed.
